# Coyote Summer

## *A Summerhood Island Book*

by Margo Solod

“A well-written tale about finding our humanity with the help of a few wild animals.”

*New York Times* best-selling author Chris Grabenstein

For thirteen-year-old Jessie Silva, life on Bayberry Island is at its best in the summertime. That’s when the seasonal renters return to spend their vacations on the island, bringing with them Jessie’s best friend, Amanda. This year, though, change has come to Bayberry. For one thing, there’s a new girl among the summer visitors—a snotty New Yorker named Susan—and she’s driving a wedge between Jessie and Amanda. For another, there are rumors of coyotes roaming the tiny island, and the locals are talking about taking up arms to stop the animals from spreading.
