

Danger on My Doorstep

The Anita Flora Powitzer Story

By Linda Schubert

“No one could be trusted. The Nazis were everywhere. Like vultures in search of prey, they were always in search of information on where Jews were hiding. A knock on the door could mean the end of our freedom or even our lives.”

—Anita Flora Powitzer

About the Book

Berlin had been safe for Anita Powitzer for as long as she could remember. But when Hitler came to power, everything changed. Now policemen harmed instead of helped, and Anita couldn't even talk to her best friend. Flung from her secure childhood into a fearful world, she and her family had to find a way to flee Berlin before it was too late. It was risky, and Anita had to be separated from her loved ones, but this was the only way out. Alone in a country with a language she didn't understand, staying with people she had never met, Anita had to wait and hope her parents could join her. Would she and her family be safe?

A journey fraught with danger from Germany to Great Britain, and finally to America, this is the true story of one Jewish family's escape from Nazi Berlin.
