FRIDAY Adventures

It's never too late for one last adventure!

Follow two sisters on an unforgettable
journey through Richmond!

It's been years since Kate and Grace went on their last "Friday Adventure" with Dad. They've since grown up and left home to lead their own lives. After their father passed away, both he and Friday Adventures became happy memories. Then one day, Grace receives a cryptic letter from Beyond, and a gift package: an old laptop with a video message from Dad.

Spoken from beyond the grave, Dad has one last Friday Adventure for his daughters —an unusual scavenger hunt through the fascinating history of their hometown. From Maymont to Macbeth, Swannanoa to Hollywood Cemetery, and beyond, Kate and Grace will follow clues and work together to solve the mysteries of Dad's final Adventure. They'll learn about their father, their city, and most of all, each other.

"An enchanting story of two Richmond sisters who must work together to decipher the mysterious clues that lead to hidden treasure—clues left by their father, who died the year before."

- Mary Miley, historian and author of the *Roaring Twenties* series
