Neck Tales

*Stories from Virginia's
Northern Neck*

Join National Public Radio commentator Thea Marshall for an historic and contemporary journey through Virginia's Northern Neck. First broadcast by Ms. Marshall on NPR, these stories paint a vivid portrait of this part of Virginia that's a world apart—from the region's wine, watermen and Chantey singers, to its poets, patriots, kings and citizens.

"If anyone is qualified to write about Virginia's Northern Neck, it is Thea Marshall. *Neck Tales* is a compelling, valuable, literate and enriching contribution to the cultural history of the Neck."

— Roger Mudd, former anchor, CBS News
